CAMPS FOR HOMELESS

TWO SET APART FOR SAN FRAN-CISCO VICTIMS.

SAN FRANCISCO, Cal., May 12 .- Mayor Schmitz today directed that persons made homeless by fire be concentrated in two great camps, one in the Potrero and the other at Golden Gate Park. This action has been made necessary for sanitary reasons. At present every vacant square is covered with tents of homeless campers. Last night and today have been the coldest since the earthquake of April 18. A general reduction in the city's work-

ing force within the next thirty days will Rigid Economy Enforced.

Mayor Schmitz made the announcement today that plans are under discussion whereby the most rigid economy may be enforced in municipal affairs. About 300 city employes will lose their positions or suffer a reduction in salary.

The liquor question was again discussed today by the authorities, and it was proposed that the charter of the city be amended so that a saloon license, which has heretofore been \$100 a year, shall be raised to \$500. Before the fire there were 4,000 saloons in San Francisco. Today the board of police commissioners issued an order that all private clubs cease dispensing liquors to members.

CHANGE IN DATE.

Educational Congress to Meet July 31 in This City.

After a conference with the local authoriies here today, I. Garland Penn of Atlanta, corresponding secretary of the Negro Young People's Christian and Educational Congress, announced that the second quairential session of the congress would be held in this city July 31 to August 5, instead of July 3 to 8, the dates originally set. This change was brought about largely on account of the objections raised by a large number of the negro teachers over the country, who will be engaged in institutes during July, and who were anxious to attend the congress, and because of the fact that more time was needed to properly get the movement before the people. The meeting which will be held in this city
